

# THE BRIARWOOD BUGLE

Fun in the sun!

July 8-July 12, 2019

Week 3

## From Matt and Mike

Time flies when you are having fun . . .

We had another great week! Camp barreled along and the kids had a great time swimming, playing, painting, tie dying, Zoom Flooming and everything else!

And also—Lower Camp loved Spirit Week, the 2nd year CITs went to Hershey Park, we had an awesome mini campout for upper camp, the Busy Bees made delicious concoctions at cooking and, all around camp, you could see and hear bunks practicing their bunk shows.

## THE JUBILANT JAGUARS BY NATE FRANKEL

After only two weeks, it has become clear that the Jaguars are one of the best bunks in all of camp. It doesn't matter what activity we are at or what sport we are playing, everybody always gives 100%. Hunter and Ben had fantastic catches which helped the Hilltopians to a league win in football. Jake is leading the bunk in wiffle ball home runs while Jared is looking like Jimmy Rollins at shortstop in softball. At nature Luke caught "The Bass" while Cole drained 3's at basketball. James and Troy are some of the best all-around athletes in all of camp. CJ led his leagues team to victory with a stellar performance in softball. Aiden and Mikey set the record for the highest jump ever recorded on the jumper. With camp just starting, it won't be long before the Jaguars take over as one of Briarwood's most dominant bunks. With our great senior counselor Brandon Lloyd and excellent Super CIT CJ, it's going to be an historic summer.

## FROM CRICKET TO COUNSELOR BY RYAN ALBUCK & CHARLOTTE SEGAL

Growing up at Briarwood is something so special. We began as three year old Crickets and we are staff now! From meeting new friends to gaining life lessons and experiencing new things, Briarwood has been a forever home to us. When you're just starting out at Briarwood, the wonder of it all may feel a bit overwhelming at first, but as time goes on, a comforting familiarity sets in. We know just how quickly the people at Briarwood become family. We still remember our favorite activities from when we were campers, and now that we are staff, seeing our own campers have just as much fun as we did is so amazing. Whether it's learning your bunk show or going down the zip line for the first time, there is always something new to gain from coming to Briarwood. Without a doubt, Briarwood will always have a special place in our hearts.

## Fabulous Flamingos and Orioles By Georgia Gobora & Hallie Newman

Wow! We can't believe week 3 is already finished! The first grade girls consist of two awesome bunks, the Flamingos and the Orioles. We have so much fun together! The first grade girls are loving their time at Briarwood together.

We have been busy dancing out hearts out in preparation for our bunk shows next week in addition to ziplining down the rock wall, sliding down the zoom floom and flipping in gymnastics. On top of that...the girls have caught tons of fish, hit a ton of holes in one and scored so many goals at soccer, we lost count! At swim, the first grade girls are flipping their fins and splashing up a storm in the pool. We are looking forward to an amazing rest of the summer, full of laughter and smiles with this great group of girls!
