

Briarwood Day Camp 2022 Staff Forms Needed for Employment

A few notes to be aware of before uploading and submitting your paperwork.

1. We need paperwork from all employees. For all staff members, we are unable to accept clearances that were obtained for volunteer purposes. **All clearances must be for employment purposes only. All clearances must be valid and not expired.**
2. For those staff members that have previously been employed at Briarwood Day Camp, we have carried over some of your forms and you will see them in your profile. However, there are certain forms that we need you to complete and upload each year. These include **Pennsylvania Criminal Background Check, First Page of the Staff Handbook, Health Form, and Permission to Medicate.** Please make sure that your forms are **not expired.** If they are, please resubmit a new clearance by using the **upload again** feature, or if you'd otherwise like to submit a new version of the old form. **Example:** If your FBI clearance or your Child Abuse clearance expired in October of 2021, you will need to upload a new, up to date form prior to employment. Also, you do not need to provide another W-4 each year unless your address changed or if you want to change your withholdings.
3. When you request clearances from the various agencies be sure to select "**Individual Request**" if you are asked to make a choice. This will guarantee that you will receive your own clearance (this should become clear when you apply). Briarwood needs your **actual certificate for each clearance,** not the confirmation that you requested the certificate. Make sure you upload your actual clearance. **LEAVE YOURSELF PLENTY OF TIME SO YOUR CLEARANCES ARE UPLOADED BY THE DUE DATE.**
4. Except for the I-9 and your staff health form, all paperwork must be **uploaded** from your device to your CampInTouch account. The Health Form can be filled out and submitted through your CampInTouch account and the I-9 (if you are a new staff member) will be physically handed to us in person. The I-9 is good for 3 years. All employees that worked at Briarwood in 2021 will not need to resubmit an I-9 until 2024.
5. When we say "all staff under 18," we mean all staff that will be under 18 on the first day of camp.
