Reason for medication: _____ Possible side effects: _____ Discontinue Date: _____

Other medications this patient is currently taking: _____

Licensed Prescriber signature: _____

Licensed Prescriber name printed: _____ Phone: _____

Dear Briarwood Parent or Guardian,

Prescribed medications which are necessary for the health of a child may be administered during the camp day. It is recommended that, whenever possible, all medications be administered at home by the parent or guardian.

The first dose of any new medication should always be administered at home to ensure close observation of any adverse reaction. If your physician decides it is necessary for your child to receive a medication during camp hours, the parent or guardian may request that the camp nurse administer the physician prescribed medication at scheduled times.

The following policies apply to all medications brought to camp:

- **This Permission to Medicate form must be completed and signed by the parent or guardian for all prescription medications.**
- **Medication must be sent to camp in the original pharmacy container with the current prescription label. Upon request, pharmacies can prepare a duplicate container to be used for camp.**
- **All medications must be brought directly to the nurse's office by the parent, guardian, or a responsible adult designated in writing by the parent or guardian.**
- **Campers and Junior Staff should not have medications of any kind in their possession at camp.**
- **Unless provisions are made otherwise, the camp nurse shall be the only Briarwood employee responsible for the dispensation and/or administration of medications.**
- **If the camp nurse is unavailable to administer the medication on a time schedule determined by the patient's physician, the nurse and parent or guardian will develop a care plan to ensure that the dosage is administered as scheduled.**
- **All medications are kept in the nurse's office.**

Office use only: Bunk: _____ Grade: _____
